Photographs

Bunker Hill Community College requests that all Commencement attendees remain in their seats while taking photographs. The College will post official event photos following the event at bhcc.edu/ceremonyhighlights and on the College's Facebook page.

GradImages® is proud to support one of the biggest moments in a graduate's life: walking across the stage and into the next chapter. Finding your graduate's photos after the ceremony is easy. Visit gradimages.com and search by your last name, school and graduation year to view and download your photo. Graduates will also receive an email with ordering information.

If you have any questions or concerns regarding your photos, please contact GradImages Customer Service Department at (800) 261-2576, online at gradimages.com, or email ecc.giservice@gradimages.net.

About This Program

While every effort is made to ensure accuracy in this Commencement program, printing deadlines may result in the omission of some names and the inclusion of the names of persons not completing graduation requirements as intended. This printed program, therefore, should not be used to determine a student's final academic or degree status. Final degree status is reflected on a student's transcript, and part of their permanent record, once all degree requirements are completed. Students' academic records are maintained by the Registrar. Any errors or omissions may be reported to the Dean of Students Office via email to commencement@bhcc.edu and will be reflected in the online version of the program that will be included on the Ceremony Highlights page in June.

President's Distinguished Service Award

Presented by President Eddinger to Governor Maura Healey
The President's Distinguished Service Award is presented to a leader who has rendered extraordinary service to Bunker Hill Community College, its students, and the communities the College serves. The 2024 President's Distinguished Service Award Recipient is Massachusetts Governor Maura Healey.

Maura Healey is the 73rd Governor of Massachusetts. In 2022, she became the state's first woman and first openly LGBTQ person elected to the position.

In her first year as Governor, Healey has already delivered on key promises to help Massachusetts become a leader in clean energy, a more affordable and equitable place to live, and a great place for businesses to operate.

On her first day in office, Governor Healey appointed the nation's first cabinet-level Climate Chief and created the Office of Climate Innovation & Resilience to coordinate policies across all of state government to address the climate crisis. Governor Healey has

also prioritized education and workforce development by making free school meals for K-12 students permanent and creating a free community college program for residents ages 25 and older. She has made historic investments in apprenticeships and other career pathways. Governor Healey also delivered on her promise to make Massachusetts more affordable by cutting taxes for the first time in 20 years, including creating the most generous Child and Family Tax Credit in the county. Her tax cuts package puts money back into the pockets of families, renters, seniors and others who are struggling to keep up with the rising cost of living. She also recently introduced the \$4 billion Affordable Homes Act, which would be the state's largest housing investment in history, to create tens of thousands of homes and lower costs.

Healey previously served two terms as Massachusetts Attorney General, first elected in 2014 and re-elected in 2018. In her role as the People's Lawyer, she took on difficult issues impacting Massachusetts residents, including the opioid epidemic, the climate crisis, escalating health care costs, and student loan debt.

Trustees' Distinguished Service Award

Presented by Chair Walczak to the Department of Public Safety and the BHCC MassReconnect Team

The Trustees' Distinguished Service Award is presented by the BHCC Board of Trustees to one or more members of the College community who have rendered exemplary service to the institution. The 2024 Trustees' Distinguished Service Award recipients are the BHCC Department of Public Safety and the BHCC MassReconnect Team.

The Department of Public Safety

The Department of Public Safety is dedicated to protecting the students, faculty, staff, visitors, and property of Bunker Hill Community College. All department members are sworn Special State Police of the Commonwealth of Massachusetts, vested with full powers under the laws of the Commonwealth on College grounds.

In the summer of 2023, after an arduous process, the Department received a much-coveted accreditation from the Massachusetts Police Accreditation Association, becoming one of only two community colleges to do so in the Commonwealth. The process required currency in more than 70 policies, conforming to some 300 professional standards required by the commission, ranging from officer uniform requirements and vehicle maintenance to Use of Force and Bias-Free Policing.

The BHCC Department of Public Safety is an exemplar of college/university public safety and community policing in the Commonwealth and the New England Region.

The BHCC Police Department stands as an exemplar in college/university public safety and community policing in the Commonwealth and the New England Region.

The MassReconnect Team

In January 2023, newly elected Governor Maura Healey announced MassReconnect, marking the first time Massachusetts proposed free community college for its 25 or over residents seeking their first college degree.

A team assembled under the leadership of Executive Director of Student Financial Services Melissa Holster and Dean of Enrollment Management Dr. Alicia D'Oyley. Members included the Director of Financial Aid, her advisors and analysts, the Admissions and Enrollment Management Team, and the Integrated Marketing and Communications team. This cross-functional team ensured the word got out to the Boston community and our surrounding cities, enabling those who had not been able to participate in college to come. Over 700,000 individuals in our college service area have some college credit but no degree, and some 1.8 million residents have not attended college.

Over 800 students took advantage of MassReconnect in fall 2023, the first semester. That number grew again in spring 2024. Summer promises to be vibrant and well-subscribed as well.

The work of the MassReconnect Team made widening access a reality by packaging and re-packaging financial offers, removing barriers to registration, and watching for opportunities for tightening connections and retention. MassReconnect is a success, and come fall 2024, this Team will do it again.

BHCC Student Regalia Designations

Stoles, cords, tassels, and medallions are worn by various groups of graduates to represent their achievement, honors and affiliations. These designations symbolize the hard work and serve as a reminder of the diversity and strength of our college community. Each group is led by a dedicated advisor who has supported and guided the students throughout their academic journey.

ACADEMIC HONOR DESIGNATIONS

Phi Theta Kappa Graduates – Gold Stole with blue signature decal Graduates who are members of the Alpha Kappa Mu chapter of the Phi Theta Kappa Honor Society can be identified by the gold Phi Theta Kappa stole worn over the regular academic gown, with a blue signature decal. Phi Theta Kappa Honor Society graduates are denoted by an “o” symbol in the program.

Commonwealth Honors Graduates – Gold Medallion Graduates who have completed the Commonwealth Honors Program, which offers students from any academic discipline the opportunity to study and learn in an academically challenging and enriching learning environment.

Honors Graduates – Gold Tassels on Caps

Graduates receiving their degrees with honors are distinguished by gold tassels on their caps. These graduates have consistently demonstrated high academic achievement while attending the College. Honors graduates are denoted by a “*” symbol in the program. The cumulative Grade Point Average (GPA) used to identify Honors graduates was based on the GPA before the printing of the program and may not reflect the final GPA.

AFFINITY GROUP DESIGNATIONS

AANAPISI Proud Graduates – Red and Gold Stole In recognition of Asian American and Pacific Islander (AAPI) Heritage Month, graduates of AAPI descent march proudly with stole and tassel, rendered in colors that carry deep meaning across Asian cultures: red for courage and persistence towards victory, and gold for authority and the wisdom that elders pass on to the next generation.

ACE Mentor Graduates – Red Cord Graduates who served as ACE Mentors, integrated into Learning Community classrooms are recognized with a red cord. They served as resources to help new students adjust to the academic, social, and personal environment at BHCC.

HOPE Graduates – Black and Gold Kente Cloth Stole HOPE (Halting Oppressive Pathways through Education) graduates wear the Kente Cloth stole as a symbol of achievement and overcoming hardship. It pays homage to the ancestors’ sacrifices, reunites African Americans with Africa, and asserts their hope and confidence in the future. Historically, graduates wearing this stole are of African American, Black, and/or African descent.

LSSI Graduates – Red Sarape Stole

LSSI (Latinx Student Success Initiatives) graduates are wearing the Sarape Fabric as a symbolic stole that Hispanic and Latino/a/x graduates wear during graduation to share their “orgullo” (pride) in their accomplishments and culture. Historically, graduates who wear this stole are of Hispanic, Latina/Latino/Latinx descent.

TRIO Student Graduates – Red Stole

The Trio graduates are wearing a red stole. TRIO/Student Support Services is a federally funded program helping first-generation, income-eligible students or individuals with a documented disability.

Veteran Graduates – White Stole

Our Veteran graduates are wearing white stoles. They have made immense sacrifices for our country, and we want to take a moment to express our heartfelt gratitude for their service. We are honored to have you as members of our community, and we wish you continued success in your future endeavors.

Modern Scholars in Ancient Garb

The color and pageantry marking a college Commencement are rooted in long tradition. The caps and gowns worn by the faculty and the graduating class are also inherited from early medieval universities. Scholars of those days wore the gown and its attached hood for the dual purpose of keeping warm in the drafty, unheated buildings, and of identifying the particular clerical order to which they belonged.

THE GOWN

The style of the modern academic gown is based on an intercollegiate code established in 1895. The gown is commonly black, differing in type according to the level of the degree held. Gowns of some American and foreign institutions are often of red and other brilliant hues.

The doctor's gown is paneled in velvet, and has bell-shaped sleeves, each trimmed with three matching velvet bars. The

velvet may be black or of the color representing the field of learning in which the degree was earned.

Master's, bachelor's and associate gowns have no velvet panels or trims. Sleeves of the master's are extra long, and are open either at the forearm or the wrist. Those of the bachelor's and associate gown are pointed and are normal sleeve length.

THE CAP

The mortarboard cap is proper for all American degrees, and is worn both indoors and out on all occasions when gowns are

used. The tassel, worn over the left front quarter of the cap, may be black or may be in a color representing the degree.

THE HOOD

The hood is the most striking feature of the costume. Its shape, size and colors show both the degree of the wearer and the college which conferred it, so that anyone attending an academic function in America can distinguish holders of bachelor's, master's and doctor's degrees.

The shell or base of the hood is invariably black, but the lining is the color of the college or university granting the degree. As the faculty and platform party march down the aisle at Commencement, the audience will see the official colors of many colleges and universities represented in the hoods of the participants. Some of these are: Cornell University, carnelian with two white chevrons; Harvard University, crimson; Columbia University, light blue with white chevron; Tufts University, brown and blue.

College trustees or members of boards are permitted to wear a doctor's gown, but the hood they wear must designate only the degree they actually hold. The president of a college is entitled to wear a specially-designed costume. Trustees and other members of the official party, such as Marshals, may also wear specially-designed caps and gowns. At Bunker Hill Community College, the President, Trustees and Marshals appear in academic regalia which shows the colors of the College—red and white—and which designate, by the use of slight design differences, the office held.

Graduates of two-year colleges are awarded an associate in arts or associate in science degree or a certificate. Successful candidates for the associate degree and the certificate wear a bachelor's gown without a hood.

DIVISIONS OF THE PROCESSION

The academic procession at Commencement is made up of three divisions: The candidates for degrees and certificates; members of the faculty; and the President of the College, the Commencement speaker, the Trustees and other dignitaries or officers of the College.

The entire company is led by the Chief Marshal bearing a mace, originally a weapon of defense and a centuries-old symbol of academic authority.

A college or university Commencement symbolizes the induction of the graduates into the guild of scholars, whose tradition reaches back through centuries of western civilization to include all those who sought learning. Graduates can take pride in participating in such an ancient and honorable rite.

MISSION OF BUNKER HILL COMMUNITY COLLEGE

Bunker Hill Community College serves as an educational and economic asset for the Commonwealth of Massachusetts by offering associate degrees and certificate programs that prepare students for further education and fulfilling careers. Our students reflect our diverse local and global community, and the College integrates the strengths of many cultures, age groups, lifestyles and learning styles into the life of the institution. The College provides inclusive and affordable access to higher education, supports the success of all students, and forges vibrant partnerships and pathways with educational institutions, community organizations and local businesses and industries.

VISION OF BUNKER HILL COMMUNITY COLLEGE

Bunker Hill Community College empowers and inspires students, faculty and staff diverse in identities, experiences and ideas to make meaningful contributions to our local and global communities. The College embodies a spirit of inquiry, critical thought, inclusive excellence and lifelong learning.

BUNKER HILL COMMUNITY COLLEGE INSTITUTIONAL VALUES

Bunker Hill Community College Trustees, Faculty, Staff and Students embody the highest academic and institutional integrity through their commitment to:

- Access and Success
- Excellence and Innovation
- Economic and Social Justice
- Inclusiveness and Equity
- Civic Engagement and Service
- Kindness and Respect
- Accountability and Transparency

The Vision, Mission and Values statements were approved by the Board of Trustees, Massachusetts Department of Higher Education and Massachusetts Secretary of Education, October 2014.
