

Bunker Hill Community College

Using the DISH Lockers

- If you select Charlestown or Chelsea Lockers as your order pickup location, you will be sent a locker code on the day of your pickup. This code will be sent via email (and text, if you provided us with your phone number) from Parcel Pending.
- Your code is unique and will only open the locker containing your order.
- Enter your code on the locker touch-screen, and your locker will open.
- Retrieve your order from the locker – note that once the locker door closes, you will not be able to reopen it and your code will not work again!
- Only refrigerated items can go in the lockers; no frozen items.
- Questions? **dishebhcc.edu**

Charlestown Lockers: across from the elevator near DISH (B-101)

Chelsea Lockers: 4th Floor Student Lounge (416)
